

QHACKS 2019

Partnership Package

partnership@qhacks.io

Queen's University
Kingston, Ontario
February 1 - 3, 2019

TO POTENTIAL PARTNERS

QHacks is Queen's University's annual hackathon! We give Canada's most talented student developers, engineers, and innovators 36 hours to bring their ideas to life. In our fourth year, QHacks continues to make great strides towards incubating and advocating for the the tech community at Queen's University and in Canada.

WHAT DIFFERENTIATES US

Here at Queen's, QHacks is the face of technology and innovation. We are actively working to bring awareness to the talented and unique demographic Queen's has to offer.

TESTIMONIALS

"My personal experience as a representative at QHacks was awesome! Everyone was super friendly and helpful. Thanks!"

William Lo
Software Engineer

RITUAL

"It was a great time for myself! I enjoyed mentoring the students and seeing all the great ideas they came up with."

Mike Welsh
Lead Software Engineer

COMMUNITECH

"I really enjoyed QHacks. It was a great opportunity to meet brilliant students passionate about tech!"

Tina Wilton
Coordinator

WHY PARTNER?

RECRUITMENT

We present our partners with the opportunity to interact with some of the most talented student developers in Canada. You will be able to collaborate with our hackers and develop personal relationships to find the right hires for your company.

BRANDING

Come showcase your business to the future of the tech world. QHacks offers a vibrant and high-energy environment to increase your brand awareness among students passionate about technology and entrepreneurship.

PRODUCT PROMOTION

Looking to demo your product? Put your product/API in the hands of hundreds of eager students, see what they can build, and receive valuable feedback instantly!
